## Additions

### Travel/Lodging

Travel fees are in addition to our regular service costs and can change depending on the location and number of stylists needed for the day. Travel fees start at \$50. However, if you're beyond a 25 mile radius of Raleigh, NC 27615, we'll have to charge a small travel fee of \$2.00 per mile round trip extra. If your location is over 1.5 hours away, we will also require an overnight stay billed to the client.

## Overtime/Early Start Fees

If the bridal party any service snags, or the professionals have to wait around, it will cost an extra \$100 per hour.

Any timelines that need to start before 7:30am will result in a \$50 fee per hour per artist.

## Additional Artist

If you need to bring in an extra artist to get your glam on point and speed things up, we'll charge \$100 per hour for each additional artist requested.

## Gratuity

No need to sweat the small stuff! Our invoices and contracts already cover a generous 20% gratuity for our services, so sit back, relax, and enjoy your special day without any extra worries.

## What's Next

### Booking Process

We want to make sure everyone gets a fair shot, so our team works on a first-come, first-served basis. To get things rolling, we'll need you to sign on the dotted line and drop a non-refundable deposit. Then, two weeks before the big day, we'll need the final payment. And hey, just a heads up, we only accept payment from the one who signed the contract.

## Minimums

We require a minimum of six services for all weddings during peak season. Once we've agreed on the perfect package and the contract has been signed, we are unable to remove any services. However, adding additional services can usually happen if time permits. If someone is unable to meet their scheduled service, another person may take their place.

## Timing

We will create a timeline for our services for your party, which will be based on the event's master timeline, developed in collaboration with your planner and photographer. Our services will be allotted the following timeframes - 45 minutes for attendant hair or makeup, and 2 hours for the bride's hair and makeup.

## What's Next

### Dry Hair Styling

## Make Up Application
